(It shall be the duty of the person doing the work authorized by a permit to notify the Building Official that such work is ready for inspection.)

**NOTICE**

SEPARATE PERMITS ARE REQUIRED FOR ELECTRICAL, PLUMBING, HEATING VENTILATING OR AIR CONDITIONING.

This permit does not represent structural plan review, structural inspection or insure structural code compliance of any work covered by this permit. This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a Permit does not Presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction. The issuance of this Building Permit does not constitute violation of applicable subdivision covenants. I hereby certify that I have read and examined this application and know the same to be true and correct.
