Request to have monthly utility bill sent in care of renter.

I, _____, owner of the property located at the following address; request that the Town of Thermopolis send the utility bill in care of the renter at such address:

Street Address: _____

Renter: _____

Renters Phone Number: _____

Renters Mailing Address: _____

Effective Date: _____

I realize that any previous balance must be paid before the account can be put in the new renter's name. I also understand that as owner of said property I am liable for all utility charges. Any overdue charges may become a lien against my property and may be foreclosed. If the account is delinquent three times, I understand that the account will be transferred back to my name as property owner.
